Corby East Midlands International Pool:

1. Parents and spectators have a great influence on children's enjoyment and success in Diving. Children train on the springboard and the 5 meter platform first and foremost because they love diving. Corby Steel Diving Club (CSDC) is dedicated to nurturing that enjoyment and enthusiasm for the sport as a foundation for developing the physical, mental and technical abilities/skills of each child.
2. We believe that taking part in club activities contributes to each child's personal development and self-esteem. This is more important than winning diving competitions. All of our divers compete to win, but not at any cost. It is important that children compete in the right spirit and in a supportive atmosphere which allows them to perform to the best of their abilities.
3. In order to achieve this result we rely heavily on the parents and supporters who attend training sessions or competitions to behave in an appropriate manner and to give their support in the right way. We therefore require all parents and supporters who attend CSDC training sessions and competitions to read, understand and abide by it at all relevant times.
4. Corby Borough Council believes that everyone should be treated fairly and in an environment free from threat or abuse.
5. We will resist and challenge racist and sexist comments or many other offensive comments, abuse or threatening behaviour.
6. Anyone who persists in making offensive comments or using offensive language or behaviour may be refused admission and they may be asked to leave the facility.

At Competitions and Events:

1. As the first diving club in Corby and the leading diving club in the East Midlands region we believe it is very important to create a good image.
2. At competitions parents should follow the CSDC Head Coach information/guidance.
3. At competitions parents are asked to respect the hosting club and their competition rules.
4. Parents are asked not to interfere with the diving tuition during training or competitions. Appointments can be requested for one-to-one meetings with the Diving Coaching team.
5. At competitions never ask or send your children to train with another coach, if your coach is not present you must wait for his/her arrival. The coach will determine when to train within the allocated training time for divers.
6. Please remember as a parent attending competitions you are also a representative of your club and region. Most of the competitions we enter are by club invitational. Misbehaving clubs/representatives can be banned from these competitions without a warning.

Parents and Spectators should:

1. Encourage all members of the club by applauding good performance (not just marks scored)
2. Show understanding when divers make mistakes.
3. Be positive. Discuss performances in a constructive manner at an appropriate time. Focus on things the child did well. Don't dwell on mistakes.
4. At competitions sit in the allocated area. Parents are not allowed on the poolside or in the competitor's area.
5. Remember children participate in sport primarily for their enjoyment, not yours.
6. Encourage children always to participate according to the rules. Settle disagreements without resorting to hostility or violence.
7. Remember that children learn best by example. Appreciate good performances by all participants.
8. Respect officials' decisions and teach children to do likewise.
Cooperate and show appreciation for the coaches, officials, administrators and
10. Respect the rights, dignity and worth of every person regardless of their gender, ability, cultural background or religion
11. Ensure your child ate correctly and took of the required rest period before a competition. We would advise no late nights or sleepovers the night before!
12. Support the club by attending competitions and fundraising activities. The club is run on an entirely voluntary basis. Always volunteer your services before criticising others for perceived failings.

15. Please ensure that any photos you might use, do not contain images of children other than your own, unless you have obtained explicit consent from a member of the Clubs Committee.
16. CSDC's policy is to not print surnames (only first names) in conjunction with photos published on its website and/or social media networks and we ask that parents also follow this request when posting/commenting about the club and its members.

We would ask you to refrain from:

1. Shouting or signalling out instructions to the diver from the spectator's area. Leave it to the qualified coaches.
2. Parents should not interfere with the coaching delivery during training or at competitions.
3. Shouting or using abusive language. Please control your temper. Verbal abuse of official's coaches and divers, deliberately distracting or provoking are not acceptable or permitted behaviours in any sport.
